

# The Odour Eliminator

## EmTec OE Biological Odour Eliminator

- Eliminates odours at their source!
- Non-toxic
- Environmentally safe
- All natural
- Available as concentrate and tablets

# EmTec OE

EmTec OE does more than merely mask the odour like air fresheners, it actually digests and eliminates the odour at its source.

EmTec OE is a live blend of all natural bacteria specifically chosen for their accelerated ability to metabolize organic material into carbon dioxide and water.

### Directions:

Apply as often as needed. Saturate the surface area of the source of the odour. Apply by aerosol spray or pump spray. For applications in water, apply directly to the surface of the water. For Best Results: Do not use with bleach, sanitizers or antimicrobial chemicals.

EmTec OE is available in liquid, slow release tablets and effervescent tablets.

### EmTec OE is ideal for:

- Trash cans and dumpsters
- Cars, boats, and RV's
- Diaper pails
- Locker rooms
- Restrooms and urinals
- Nursing homes
- Pet areas
- Carpets
